

RoHS & REACH Compliance

January 29, 2020

European Environmental Legislation – RoHS (EU) Directive 2015/863

Yarde Metals, Inc., hereby certifies to the best of our knowledge based on the producing mill's test reports or other certification of compliance that our standard products are RoHS 3 compliant and do not exceed the designated levels of Lead, Cadmium, Hexavalent Chromium, Mercury, Polybrominated Biphenyls, Polybrominated Diphenyl Ethers, Bis(2-Ethylhexyl) phthalate, Benzyl butyl phthalate, Dibutyl phthalate or Diisobutyl phthalate legislated under the provisions of the European Parliament and Council Directive on the Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment ((EU) 2015/863) and regulations promulgated thereunder, collectively, the "RoHS Regulations."

Yarde Metals, Inc., does sell some Galvanized coated materials that would not be considered RoHS complaint. For questions regarding Galvanized coated products, please contact your sales associate for further details.

Registration, Evaluation, Authorization and Restriction of Chemical Substances (REACH)

This document also certifies to the best of our knowledge based on the producing mill's test reports or other certification of compliance that none of our standard products are subject to the European Union's regulation No. 1907/2006/EC concerning Registration, Evaluation, Authorization, and Restriction of Chemicals (REACH). Therefore, our products comply with the guidelines stated in this directive, which contains 205 substances as of January 16, 2020. Please refer to the following link for the most current candidate list of substances:

REACH - Article 3(3):

Article: Means an object which during production is given a special shape, surface or design which determines its function to a greater degree than does its chemical composition (e.g. cold rolled coil, pipe, tubes and tube fittings, etc.).

Articles are not governed by REACH and do not require registration.

If you have any questions or concerns regarding any of this information, please feel free to contact me.

Sincerely,

Brendan Hayes
